

**We feed our nation  
and the world.**

**We are  
sportsmen.**

**We are neighbors and  
friends and pass a  
generational legacy  
down to the next.**

**We have pets, and

livestock and horses.**

## **We Are Thankful For Our American Way Of Life.**

The history of **Lucas Oil** is a story of the American Dream. We founded **Protect The Harvest** because our American heritage is important, vital and what we value most. Unfortunately extremists are working to control farming and ranching, land use, and to restrict animal ownership. As farmers, ranchers, sportsmen, livestock and pet owners, we need to stand up and protect our way of life. Your support in our efforts would be greatly appreciated and can make a big difference.
