ANIMAL ABUSE- "a more willful failing to provide care or doing something harmful. Abuse implies maltreatment occurred regardless of the intent, motivation or mental condition of the perpetrator, whereas cruelty connotes more deliberate intention." AVMA

ANIMAL EXTREMIST DEFINITION- USED TO MANIPULATE EMOTIONS

ANIMAL ABUSER- PETA defines animal abuse as the use of animals for food, clothing, research, entertainment, or abuse in any other way. They consider pets to be slaves and are against the use of service animals because "they (the animals) didn't consent to be used in that manner."

Words Animal Extremists Use

DICTIONARY DEFINITION

CARNISM- Carnism is a concept used in discussions of humanity's relation to other animals, defined as a prevailing ideology in which people support the use and consumption of animal products, especially meat.

ANIMAL EXTREMIST DEFINITION- USED TO MANIPULATE EMOTIONS

CARNISM- Carnism is a violent system, as it's organized around intensive and extensive (and unnecessary) violence toward animals. Even the production of so-called humane meat, eggs, and dairy—a tiny percentage of the carnistic products produced in the world today—exploits animals and involves brutality.

DICTIONARY DEFINITION

SPECIESISM- discriminating against an individual and their interests due to their species.

ANIMAL EXTREMIST DEFINITION- USED TO MANIPULATE EMOTIONS

SPECIESISM- Vegans/animal extremists aspire to be anti-speciesist. Being anti-speciesist still allows you to acknowledge that different animals of different species have different needs, but vegans take the needs of all species seriously, not ignoring their pain because of their species.
